Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

IDAHO CODE ANNOTATED—CHAPTER 38, SECTION 206.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

IDAHO CODE ANNOTATED—CHAPTER 38, SECTION 206.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The International classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

AFFIDAVIT OF LEWIS COUNTY SHERIFF, REX FARRIS

STATE OF IDAHO)
) ss.
County of Lewis)

I, REX FARRIS, the Sheriff of Lewis County, State of Idaho, do hereby certify and declare as follows:

That on or about May 28th., 1971, the Lewis County Sheriff's Office received a report of the possibility of an automobile having gone into the Clearwater River below Kamiah, Idaho, on U. S. Highway 12, in the area of 6 Mile Creek.

The Lewis County Sheriff's Office contacted the Idaho State Police in Kamiah and Police Officer Jack Brambaugh drove to the spot and investigated and he reported evidence of vehicle tracks leading into the river at the point of investigation.

Thereafter and on the same day at approximately 09:30 I drove to the scene and together with the Idaho State Policemen Jack Brambaugh and Bert McGinnis, examined the roadway and the scene of the alleged accident and we concluded that a narrow gauge automobile had indeed gone into the river at that point.

The Sheriff's Office shortly thereafter, received a report from Mrs. Dean H. Redekop of Kamiah, Idaho, that her husband Dean Henry Redekop and a passenger Edward Hinkkanen had departed from Orofino to Kamiah along U.S. Highway 12 the evening of May 27, 1971, and that they had not reached Kamiah.

Mrs. Redekop advised that they were driving a 1966 blue Volkswagen, license no. 3L 3365.

AFFIDAVIT OF LEWIS COUNTY SHERIFF'S DEPUTY

State of Idaho)
) ss.
County of Lewis)

[illegible], the undersigned, the Sheriff of Lewis County, State of Idaho, do hereby certify and declare as follows:

That on or about July 28th, 1931, the Lewis County Sheriff's Office received a report of the possibly drug-impaired driving of [illegible] Clearwater River below Kamiah, Idaho, on U. S. Highway 12, [illegible] at Spink Creek.

That Lewis County Sheriff's Office contacted the Idaho State Police [illegible] and reported evidence of vehicle traffic leaving the [illegible]

[illegible]

[illegible] Section with the Idaho State Correctional Institution and Port [illegible]

[illegible]

That Sheriff's Officer Shortly thereafter, received a report from [illegible] Section deputy, Idaho, that they had found Dean Henry Rodgers [illegible] Section highway had departed from Orofino to Kamiah [illegible]

[illegible]

Mrs. Rodgers advised that they were driving a 1966 blue [illegible]

[illegible]

On several occasions thereafter searches were made along the river, but neither the vehicle nor its passangers were located. Then on July 14, 1971, the crew of a Camas Prairie train traveling the river route, reported seeing a car in the river. Investigation revealed a blue Volkswagen to be lying in the river completely submerged and the following day July 15, 1971, this vehicle was removed from the river under the supervision of my office and the office of the Clearwater County Sheriff.

No bodies were found in the vehicle but the automobile was badly damaged with windows broken out and structural damage to the car itself. The vehicle we pulled from the river was a dark blue Volkswagen with serial no. 116 238761 and investigation showed this vehicle to be registered to Dean H. Redekop or Norma K. Redekop of Kamiah, Idaho.

In my judgment and in the judgment of all of the officers investigating this accident, all circumstances point to death, probably by drowning, of Dean H. Redekop of Kamiah, Idaho. His body has not been found to this date.

FURTHER AFFIANT SAYETH NOT.

AFFIDAVIT OF JACK BRUMBAUGH, IDAHO STATE POLICE

STATE OF IDAHO)
) ss.
County of Lewis)

I, JACK BRUMBAUGH of the Idaho State Police, do hereby certify and declare as follows:

That on or about May 28, 1971, I received word of the possibility of an automobile having gone into the Clearwater River below Kamiah, Idaho.

I proceeded to the scene and upon investigating, determined that a narrow guage vehicle had apparently gone into the Clearwater River, near the area of Six Mile Creek.

At that time the river was high and the water turbid and we could see nothing of the automobile itself, simply the evidence, including tire tracks leading into the water.

I subsequently investigated this matter with Lewis County Sheriff Rex Farris on several occasions and searches were made along the river, but no trace of this vehicle or its occupants, whom we believed to be Mr. Dean H. Redekop of Kamiah, Idaho, and Mr. Edward Hinkkanen of Kamiah, Idaho, were found.

Both men were reported to have been seen leaving Orofino toward Kamiah, on the evening of this accident and they did not arrive at Kamiah.

They were driving a volkswagen at the time.

To my knowledge there were no eye witnesses to the accident itself.

Subsequently, on July 14, 1971, a crew of a Camas Prairie Train traveling the river route reported seeing a car in the river. Again, law enforcement officers investigated and found a blue volkswagen submerged
